ACT Sunday Testing: Non-Saturday testing is available only for students who cannot test on a Saturday because of religious convictions. If there is a non-Saturday test center within 75 miles of your home for any test date, register for that date and request that center. When you search for a test center on this website, both Saturday and non-Saturday test centers will appear in your search results. A test center listing non-Saturday test dates will list Saturday and non-Saturday dates separately. When you search for a test center within the online registration system, select "Show non-Saturday test centers" in order to see a listing of non-Saturday test centers.

For both New and Returning test-takers:
